

ENTRY RULES FOR THE VISITORS:

- **Online registration** via the website www.translogistica.pl is required no later than November 4, 2024.
Registration during the exhibition may be difficult or impossible.
- Each visitor is required to complete individual registration using a **personal business email address**.
Group registration is not possible.
- Once online registration is completed, the application is processed by the organizer.
- After successful verification, the organizer will send a confirmation email containing an individual QR code.
- IMPORTANT! The QR code does not work at the entrance gates! **The code is used to print a badge** at the Visitor Registration Point on 5-7 November 2024.
- All participants are required to wear the paper badge visibly throughout the entire duration of the fair.
- The badge entitles **one person to attend the fair for all three days** and is valid only with an official document confirming the participant's identity.
